

**FAES Open Enrollment  
2018-2019 Plan Year  
AETNA Signature Administrators-PPO  
Effective November 1<sup>st</sup> 2018**

Since 1959 the Foundation for Advanced Education in the Sciences (FAES) has been working to support the professional and educational mission of the National Institutes of Health (NIH) and over the last several decades our support grew to include a health insurance program for select members of the NIH community. We have made many changes over the last several years with the end goal of ensuring a robust and sustainable plan.

We are pleased to announce that FAES will be offering the same plan to our customers for the 2018-2019 plan year- AETNA Signature Administrators-PPO.

**FAES will be hosting daily orientations beginning September 10th through September 21st from 3 pm to 4pm in the FAES conference room- 1N241A.**

**Upcoming changes will be discussed, so please be sure to attend!**

**Please note: You do not have to do anything if you are not making any changes. Your benefit plan will continue for the 2018-2019 plan year as is.**

**If you have recently moved, please remember to email us your new mailing address.**
